

PrimaSkin

Powered by HydraStat™ Technology.
For Visible, Youthful Results!

Product Overview

We've solved a problem that's been around since the first person said "skin care", and that's absorption! PrimaSkin's breakthrough HydraStat™ technology treats critical ingredients, making absorption fast and effective. Our spray delivery system makes it easy to apply PrimaSkin multiple times a day under or over makeup.

Superior Absorption Through HydraStat™ Technology

PrimaSkin uses our proprietary HydraStat™ technology to break down its active ingredients into tiny particles, making it easier for them to navigate deeper into your skin, increasing the benefits of the same amount of product! We get delicate ingredients where you need them for incredible results faster than ever before.

Key Ingredients in PrimaSkin

- **Glutathione:** The body's master antioxidant that can neutralize free radicals and can help restore skin to a bright and even skin tone.
- **Collagen:** Assists with elasticity, moisture, and can reduce the appearance of fine lines and wrinkles.
- **Hyaluronic Acid:** Can hold up to 1000x its weight in water, assisting with ultra-hydrated skin.
- **Curcumin:** Can help dry out pimples, prevent breakouts and improve skin texture.
